Our Story

DeLish was formed when best friends Tina Green and Shannon Berry partnered with Lardo's Restaurant to take over the

catering end of their business. Lardo's Restaurant, a 33 year pillar of the community, was looking for the right people to uphold their high standards. For Tina and Shannon, it was a dream come true. Both of them growing up in the Lake Tahoe resort community gave them experience in the fine dining and service industry. Their love of cooking shows in every meal they prepare.

Making delicious food that pleases all senses, not just the palate, is what they strive for. Aesthetics are very important to them and their gourmet flair is apparent in all aspects of their presentation. They enjoy with catering but treat their clients with the utmost professionalism and respect.

Whatever the occasion, DeLish will ensure your needs are met with enthusiasm and passion!
